LET THE ADVENTURE BEGIN!

WELCOME TO Y CAMPS!

The overall goal of YMCA Camp is to help children and teens grow in spirit, mind, and body. We're sure you will find a Y camp (or combination of camps) that is a perfect fit for your child. There are many ways we strive to have "something for everyone." Here's how:

- Age-appropriate programs from **preschool to high school**
- **25 convenient locations** throughout Greater Indianapolis and its surrounding communities
- Half day, full day, and overnight camping programs
- A wide range of program options, including **pool time** with all camps!
- **Convenient hours** from 6:30am to 6:00pm
- **Full-time** (3-5 days) or **part-time** (1-2 days) schedules and rates available
- Affordable day and overnight programs and **financial assistance** available
- The Y is unique because your membership rates and program fees are based on total household income. The Y is able to offer this **sliding fee scale** thanks to the generous donors whose contributions enable us to realize our mission of being open and accessible to all.
- **Four ways to register:** In person, by fax, mail, or online (See details on page 29.)
- **Carefully screened** and **qualified staff** receive more than 40 hours of intense training in camp safety and program quality each year
- YMCA camping programs are designed to **build character** and give children the support they need to become successful adults.

"I just want to say THANK YOU to the YMCA! My children do not HAVE to go everyday during the summer, but they WANT to go everyday! This shows me that the YMCA program is doing an exceptional job. Thank you to all involved in making the Camp exciting, and positive! As a parent, it warms my heart knowing my kids are having a fun and safe summer at the Y Day Camp!"
- 2013 YMCA Camp Parent

Developing Our Youth: The YMCA of Greater Indianapolis is determined to make a significant difference in the lives of our youth. We are committed to working in collaboration with schools, churches, neighborhood organizations, government agencies, and other human services groups to increase the availability and accessibility of the Search Institute's 40 Developmental Assets for all children and teens in our community.

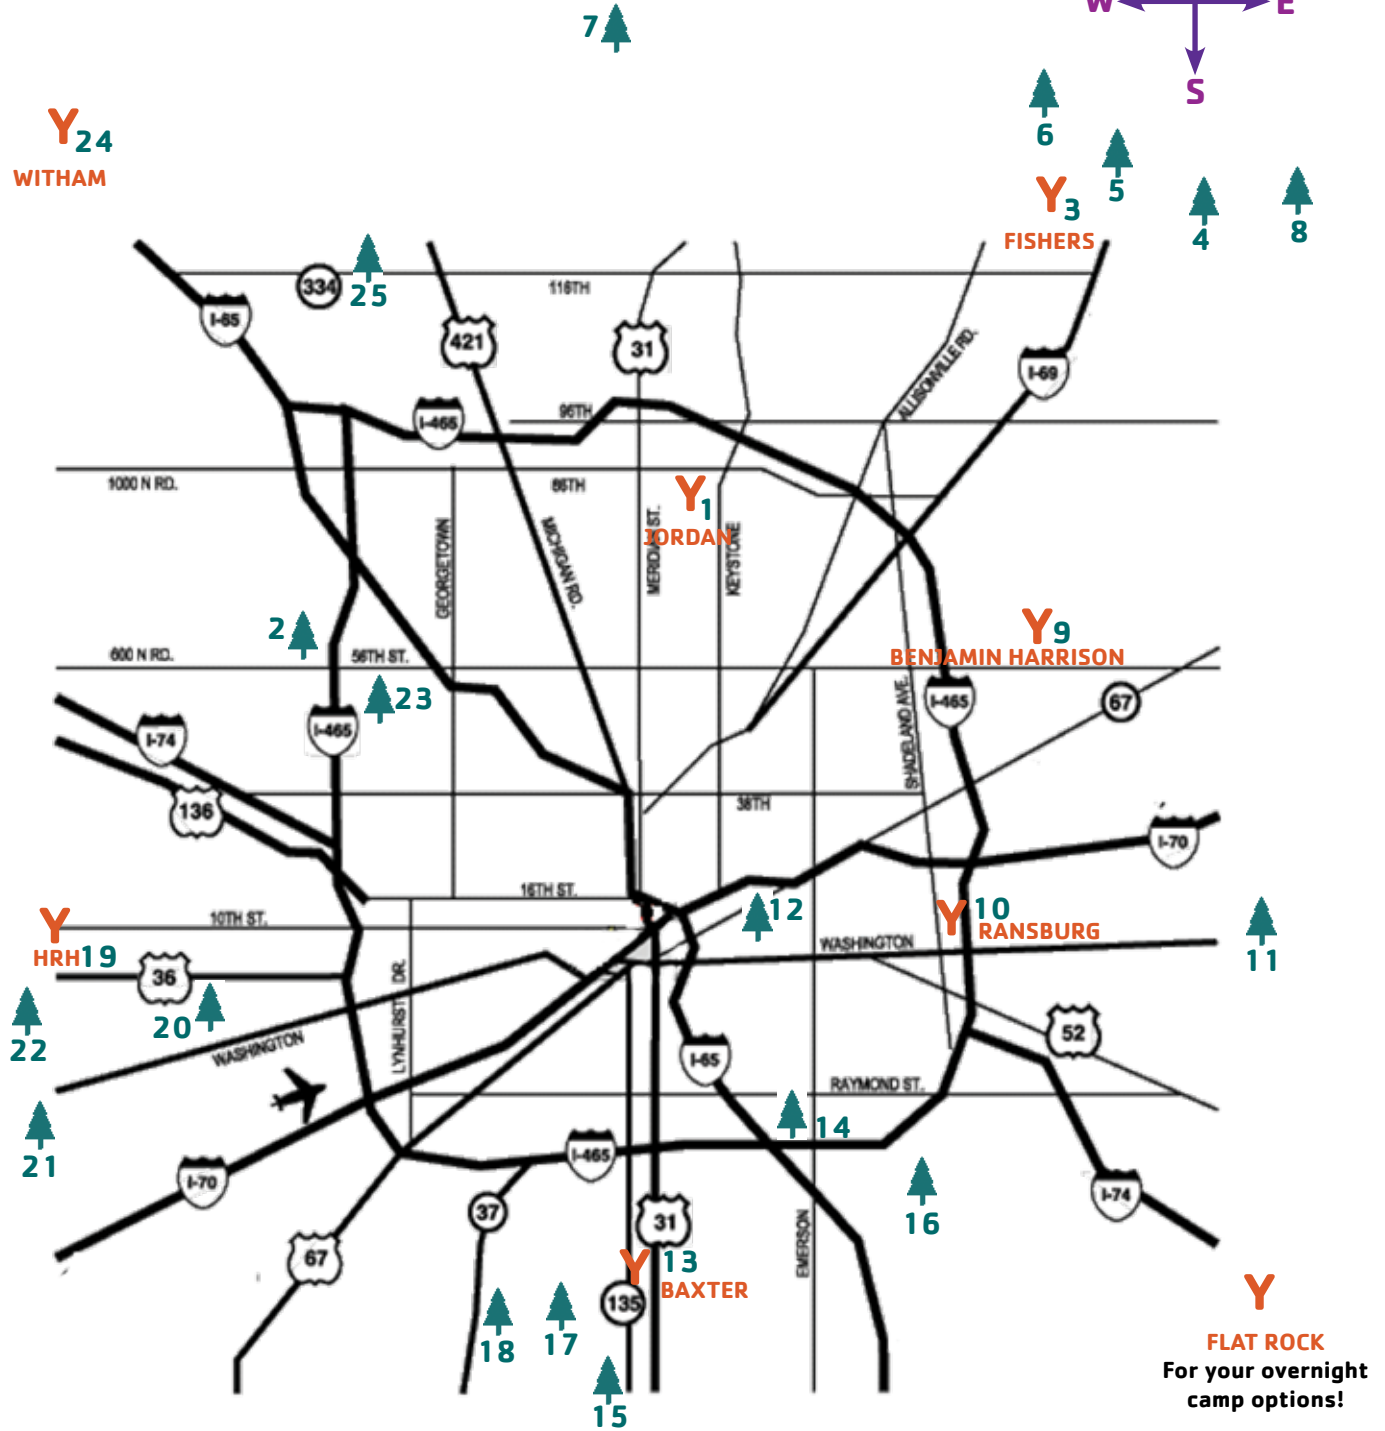

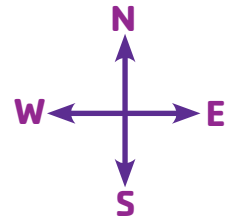

ACA Accreditation: YMCA camps are accredited by the American Camp Association. This means they have met or exceeded the highest nationally recognized standards for health, safety, staff training, and program quality. ACA accreditation demonstrates a commitment to excellence, which makes your job of choosing the right camp much easier.

YMCA MISSION: To put Christian principles into practice through programs that build healthy spirit, mind, and body for all.

2013 Hendricks Regional Health YMCA Campers

"My 10 year old son attended camp only Monday & Tuesday, and he had a fabulous time! Both days he wasn't ready/didn't want to leave, and he spent the evening smiling, laughing, and talking about the day's experiences. He spoke highly of his counselors, learned tons of songs and games, and enjoyed all of the activities! All in all, I'd give it an A+ and will recommend the HRH YMCA Day Camps to others!"

“This is our first experience having our kids participate in a Y camp. We enrolled our son and daughter into the “Leaders In Training” Camp. The kids absolutely loved the day helping the younger campers do activities with their peers. The process from signing up to dropping off and picking up has been outstanding. Thanks for all of the dedicated time and effort to organize the camping experience so well!”

PARENT/GUARDIAN AUTHORIZATION & SIGNATURE

PARENT AUTHORIZATION and RELEASE: My child(ren) has medical approval to participate in the activities of the Young Men's Christian Association of Greater Indianapolis ("YMCA."), and in my judgment my child(ren) is in good health and physical condition and able safely to participate in the activities of the YMCA. My child(ren) has my permission to engage in all activities offered by the YMCA except as noted by me in writing. I further understand that neither the YMCA nor any of its paid staff or volunteer workers can be held responsible in the event of an accident. I promise and agree on behalf of myself, my spouse or partner or other family member not to sue and agree to waive, release, discharge, and hold harmless and indemnify the YMCA, its agents, employees, members and volunteers from all claims, demands, rights and causes of action of any kind, whether arising from my own acts, the acts of my child(ren), or those of the YMCA. I hereby waive all claims for injury or damage, suffered by my child(ren), myself, my spouse, my partner, or other family member in connection with or arising out of the participation of my child(ren) in YMCA activities. I certify that my child(ren) is amenable to discipline and free from habits or attitudes, which would make him/her an undesirable participant. I have studied the brochure and understand the contents thereof.

CAMP ACTIVITY AND TRANSPORTATION AUTHORIZATION: I hereby give permission for my child(ren) to participate in camp activities and to travel by bus with the Y Day Camp staff. I understand that only licensed and qualified personnel will operate any vehicle to and from Day Camp, and that there will be at least

one Day Camp staff member present at all times. I agree to release the Young Men's Christian Association of Greater Indianapolis, its officers and directors, and the Y Day Camp staff from any and all claims of damages, demands or liabilities which may arise as a result of my child(ren)'s participation in camp activities and bus trips.

EMERGENCY AUTHORIZATION: I hereby give permission to the medical personnel selected by the camp director to order X-rays, routine tests and treatment for me or my child(ren), and, in the event I am not able to communicate or cannot be reached in an emergency, I hereby give permission to the physician selected by the camp director to hospitalize, secure proper treatment for, and order injection(s) and/or anesthesia and/or surgery for me or my child(ren) as named prior. I will be fully responsible for any costs of such treatment, even if not covered by insurance.

PARENT OR GUARDIAN PERMISSION: My signature below indicates that I have the legal authority to sign-up the child(ren) named on this form and that to the best of my knowledge the information on this application form is complete and accurate. I further understand that this is an application and the named child(ren)'s participation is contingent upon space being available in the program(s) in which I want the child(ren) to participate. I also understand that once my registration is confirmed, I must complete payment(s) by the deadlines of said program(s) as outlined prior and that, furthermore, all necessary health, security and waiver forms must be signed and on file with the Y prior to my child(ren) attending the program(s). Failure to comply with this could result in the loss of the camp space.
