Mr. McRae:

It was a pleasure meeting with you last Friday, and I wanted to thank you for taking the time to meet with me. The work that you're doing at Verizon Wireless is both economically interesting and intellectually challenging. Being a part of Verizon as an entry level software engineer is a great fit with my career aspirations.

If you have a question about anything we discussed during the interview, or something that appears on my resume, please do not hesitate to contact me at 201-555-1212. I look forward to hearing back from you.

Sincerely,

Sally McGraw
