### Page B Some notes to help you

Make sure you read the notes on page A (inside front cover) as well

#### How we assess your claim

From the information you give us in this claim form, we compare your income with your requirements to work out how much help you can get through the HS Low Income Scheme (see below).

Our calculation is based on your circumstances on the date we get this claim form and any help you can get starts from that date. It is very important that you send it to us as soon as you can.

'Income' includes the following.

- Earnings after tax, National Insurance and half of any pension contributions are taken off.
- Social security benefits and pensions
- Work pensions or superannuation pensions
- Student grants, loans and any parental contributions

**Note:** We will consider a student loan to be income if you would be entitled to claim one, whether or not you choose to take it up. This includes any income and non-income related parts.

- Money from trust funds.
- War Disablement Pension or War Widow's Pension.
- Any other income you or your partner get regularly.

'Requirements' include the following.

- Personal allowances for you and your partner. These are at rates approved by Parliament for daily living expenses, which include things like fuel bills, phone bills, TV rental and house insurance.
- Premiums for special needs because, for example, you or your partner are disabled.
- Housing costs that you and your partner are responsible for. These include mortgage repayments and rent not covered by Housing Benefit. Housing costs do not include money you pay to another member of your family.

**Note:** The rates of personal allowances and premiums increase at least once a year, usually in April, in line with Income Support arrangements.

### These notes are only guidelines. We will assess your claim individually.

#### How to claim back money that you have already paid

You can normally claim money back if you have already paid for something - the chart on the other side of this page tells you what to do. Our calculation is based on your circumstances on the date you paid.

#### Help and advice

If you want more information about help with HS/travel costs:

- get leaflet HC11 'Are you entitled to help with health costs?' from any HS hospital, the Pension Service, Social Security or Jobs & Benefits office. Some doctors, dentists and opticians might have one and you can download leaflet from www.dhsspsni.gov.uk/hc11-booklet.pdf
- for advice about this claim ring your local Social Security or Jobs & Benefits office Monday to Friday, between 9.00am and 5.00pm, or if you have reached the State Pension qualifying age contact the Pension Service on 0845 601 8821 Monday Friday, between 9.00am and 5.00pm
- talk to someone at an advice centre.
