

KCCe

The text 'KCCe' is rendered in a large, bold, green font. The letter 'K' is the largest and is positioned on the left. From the bottom of the 'K', two thick, curved lines—one yellow and one orange—sweep across the page towards the right. At the end of these lines are large, stylized starburst shapes in yellow and orange. To the left of the 'K', there are smaller green starburst shapes and radiating lines, suggesting a burst of energy or light.
