

Though it sounds odd, for many of us, umbrellas hold a special place inside of our hearts. We have all seen that iconic image of Mary Popins floating into town with her umbrella to offer her love and support to a family, and watched with hopeful eyes as Jiminy Cricket swoops in on his umbrella to offer sound advice to a friend in need. Umbrellas not only shelter us from the storm and protect us from the sun, but they add a little magic and whimsy to our lives. For this issue, we have created an umbrella template in honor of this enchanted object. Send in your stamped umbrellas for possible inclusion in our August/September 2011 issue.
