Bill Levkoff - Bridesmaid Size Chart

All bridesmaid dresses come in sizes $0-28$. Remember that all size charts are body measurements only. Size 0 and size 2 are only available on gowns from the 2006 and later collection. There is a size charge for sizes 18-28. You may add extra length to a t-length or full length gown for an additional fee. You may also order extra fabric or add a rush delivery, both for an additional fee.

The hollow-hem measurement is the number of inches from the hollow in the neck (front of the body) to the hem of the dress.
