

# COLLEGE BOUND SCHOLARSHIP

## HIGH SCHOOL SENIOR SPRING & SUMMER "TO DO" LIST

### April & May

- Compare financial aid awards from colleges** and decide which school to attend. Be realistic – have you calculated all your college costs and did you receive enough financial aid to cover them? Notify all colleges of your decision by May 1.
- Keep your grades up!** Don't let homework and assignments slip.
- Apply for a summer job or internship now.** Beat the rush - line up a position before school ends.
- Complete any forms required by your college by the due date.** If necessary, send in your housing forms and register for Freshman/New Student Orientation.
- Arrange for your final transcript to be sent to your future college!** Visit your high school's registrar/counseling office now so you don't forget next month.

### June

- Prepare a budget for next year.** If you haven't done this before, now is a good time to learn how to manage your own expenses and bills.
- GRADUATION! Hold your head high and celebrate your achievement.** However, if you didn't earn your diploma, you may continue your high school education. And, you may still qualify for the College Bound Scholarship, even if you graduate at a later date. (This does NOT include GEDs.) See page 14 of the OSPI Graduation Toolkit for ways to earn your diploma.

### July & August

- Planning to live on campus? Time to start packing!** Pay attention to the guidance your college provides about what to bring. Don't want waste money on items you won't need or have space for.
- Attend Freshman/New Student Orientation** to learn about academic and student services that will help you throughout your college career.

**Remember:**  
Every college may have additional financial aid or housing forms. Pay attention to all deadlines for any required documents.

When comparing colleges, it's not just about the money. Which campus fits you best socially? Which offers the types of courses you intend to take? Is the campus large or small? Which feels right to you? Take all these aspects into consideration when choosing which college to attend.
