INTERNSHIP REPORT

Abstract (one paragraph)

Describe where your internship was carried out (company, department, location, etc.). Summarize your internship goals, activities, and accomplishments. In addition, describe the key learning's you took away from your internship. These should be both technical and non-technical (for example, you might describe such things as how your organization was structured, how individuals worked together in your company, how technical employees interacted with customers, what company initiatives you observed, etc.)
