- Review past revenue goals within the assigned accounts
- Create and study market focus, competitive & S.W.O.T analysis
- Schedule and new accounts manager training for new accounts Mgr.
- Research accounts thoroughly by obtaining any additional /previous information about the accounts from the management team

# 30 Day Activities

- Complete all specified company and services offerings from my new company
- Develop sales goals & accounts plans for prospect accounts & yearly goals
- Continually increase my knowledge of corporate services offerings
- Meet with my SE's, Channel Managers and product specialists to build team approach for house and new prospect accounts
- Meet with fellow AM's & tap into their experiences to help implement ideas that would help make the accounts more productive in areas we have not penetrated
- Prepare partner meetings for intro's with mngt/AM's to leverage complete accounts coverage
- Meet with my line manager to establish expectations and review travel and forecast, plan and review weekly & bi-weekly requirements
- Understand 90-day opportunities already in pipeline
- Travel with my line manager into accounts for introductions and learn all relationships within accounts and begin to align executive sponsorship where

The background of the slide is a stylized American flag with red and white stripes and a blue field with white stars. The text is overlaid on this background.

# 30 Day Activities Continued

- Identify key decision makers who I need to meet with immediately to continue seamless integration as new AM
- Start to develop my new relationships and contacts within net new and house accounts
- Close out all business initiated by previous AM and follow up with any implementation of services/products: take care of any loose ends
- Attend any and all Corporate training pertaining to my line of business
- Identify & join professional trade associations pertinent to Corporate accounts
- Participate on weekly commit calls as directed
- Begin to prospect old accounts and contacts for new business related to our offerings

# 60 Day Activities

- Manage first 30 days of change and review the past months performance
- Ensure all plans for first 30 days are completed
- Report on progress for the prior 30 days as needed
- Continue fine-tune product/service knowledge, activity standards and ops
- Work on number of demo's, procedures, accounts calls that will be needed to meet the accounts goals
- Continue to have monthly/bi-weekly meetings with Channels & Business partners
- Identify OEM's in current accounts and work on partnering opportunities
- Continue to travel and meet all contacts within assigned house accounts
- Continue to close for commitment for further action in the form of follow up meetings, fact finding efforts, introductory rep lunches/meetings

The background of the slide is a stylized American flag with red and white stripes and a blue field with white stars. The text is overlaid on a semi-transparent white banner.

# 60 Day Activities Continued

- Continue to meet with key influential decision makers within net new and house accounts to understand time frames in order to build pipeline
- Begin to understand all organizational functions with the accounts to better understand logistical & procurement processes for professional services
- Create tickler action file to ensure follow upon important activities and accounts events
- Continue bi-weekly communication with my line manager to ensure success within named accounts
- Work my plan and plan my work productively and effectively

# 90 Day Activities

- Monitor first 60 days activity level and results and adjust levels if necessary
- Meet with my manager to discuss business results; actual vs. plan. Discuss any changes in any of the accounts relating to business opportunities
- Continue to close opportunities already in pipeline and continue with net new business activities
- Continue to increase level of contact within my accounts and better understand areas of dissatisfaction with competitive services in or to better position our services/solutions
- Work efficiently and effectively to ensure optimum time and territory management. Maximize downtime between appointments and cold calls, focus on daily production, stay current with all reporting (SalesForce.com)
- Continue ongoing trainings to further my corporate value proposition
- Develop strategies with SE's to defend against competitive threats
- Continue bi-weekly partner, OEM meetings for networking opportunities

The background of the slide is a close-up, slightly blurred image of the American flag, showing the stars and stripes in a diagonal orientation. The colors are vibrant, with the red stripes and white stars on a blue field.

# 90 Day Activities Continued

- Communicate effectively with my manager to maintain goal congruency
- Exceed monthly sales quotas; Work Smart !!
- Continue hitting the ground running and proving to management that I can be an impactful asset well before the usual 6 month new hire period !

# Quick Recap

- FIRST 30 Days - Learn company products and services solutions, learn about my team, co-workers, learn the channel partner & OEM community, start to build trust both internally and externally
- First 60 Days - Continue on working on above, continue relationship building, close old pipeline, develop new client contacts- hunt!!
- First 90 Days - Have a strong understanding of the company's offerings, penetrate new areas within house accounts, grow the business, go wide & deep use my chain of command to ensure success and growth within my new accounts
- Practice High Performance Culture!

T an Yo !!
