Written by an experienced and successful technology entrepreneur, this is exactly the type of book that the author wished that he had access to when he started out.

The author has condensed learnings, experiences and success of the last ten years of his entrepreneurial life into this comprehensive how-to toolkit.

Real-world experience cross-referenced with the core elements of the MBA curriculum to provide balanced coverage of all the key areas for entrepreneurs and start-ups to use as a strong starting point.

Whether you come from a conventional academic background or are more like go-getters such as Richard Branson, Bill Gates, Paul Allen, Ralph Lauren, Steve Jobs, La made billionaires and were university dropouts - there is an angle that you will
