Re: Name and contact information of the company for which you are filing a complaint

Dear Name of your State Attorney General:

On **date** I enrolled in a debt repayment plan with **company**. The purpose of the repayment plan was to help me repay my debts quickly and efficiently.

**Company's** fee structure of explanation of fee structure is excessive and not in the best interest of the client. These fees were not adequately disclosed, and had I known about them, I would not have pursued a business relationship with this company. With the fees totaling **total** each month, working with **company** is detrimental to my objective of becoming debt free.

I have attempted to resolve this matter by contacting **company** on **date** and requesting **desired resolution (refund/money credited to accounts/termination of contract/etc.)**. The response I received was **response/lack of response**.

I wish to file a formal complaint against **company**. Enclosed are copies of my **records/receipts/guarantees/contracts/canceled checks/etc**.

Sincerely,

CC: **Company**

Re: Name and contact information of the company for which you are filing a complaint

Dear Name of your State Attorney General:

On **date** I enrolled in a debt repayment plan with **company**. The purpose of the repayment plan was to help me repay my debts quickly and efficiently.

**Company** has a policy of keeping the first payment as a "start-up" fee. This policy was not adequately disclosed in my initial contact with this company. Had I been aware of the charge, I would not have pursued a business relationship with **company**. On **date** I paid **amount** to **company**, which did not go to my creditors, but was kept by the company. This is disproportionate to the service provided and detrimental to a client whose objective is to repay their creditors, not get into further debt.

I have attempted to resolve this matter by contacting **company** on **date** and requesting **desired resolution (refund/money credited to accounts/termination of contract/etc.)**. The response I received was **response/lack of response**.

I wish to file a formal complaint against **company**. Enclosed are copies of my **records/receipts/guarantees/contracts/canceled checks/etc.**

Sincerely,

CC: **Company**

Re: Name and contact information of the company for which you are filing a complaint

On **date** I enrolled in a debt repayment plan with **company**. The purpose of the repayment plan was to help me repay my debts quickly and efficiently.

**Company** is deliberately misleading about their **interest rates/policies/fee structures/etc**. When I asked for specific information about **what you asked about**, the response I received was **response**. **Company** led me to believe that I would be saving money by consolidating my accounts with them, and on **date** I sent in my first payment of **amount**. My experience with this company has been unsatisfactory because **how it has been unsatisfactory due to the vague/misleading information**.

I have attempted to resolve this matter by contacting **company** on **date** and requesting **desired resolution (refund/money credited to accounts/termination of contract/etc.)**. The response I received was **response/lack of response**.

I wish to file a formal complaint against company. Enclosed are copies of my **records/receipts/guarantees/contracts/canceled checks/etc**.

Sincerely,

CC: **Company**
