

# **NUTRITIONAL INFORMATION**

Applebee's® is committed to serving delicious food—just the way you like it. We are proud to offer a variety of delicious favorites. As a good neighbor, we understand that choice is a priority for Guests who are watching what they eat. Please use the substitution suggestions and nutritional facts that follow to help you make your dining decisions.

While we are committed to providing as accurate nutritional information as possible, there may be differences between the actual nutritional content of your freshly prepared menu item and the nutritional values provided in this document. The nutritional values stated may reflect the nutritional content for a menu item in its entirety (e.g. including sides) or by separate menu item component. Please refer to the description in the menu category heading to identify which values are being reflected. The nutritional values we provide are derived using an industry standard database, but do not account for the natural variability that occurs within ingredients, variation that occurs due to the hand-crafted nature of each plate or variation that may occur due to substitutions that Guests request. Please keep this in mind when making dining decisions.

We are happy to make any modifications or substitutions to your meal that you request, although these adjustments will impact the nutritional information detailed in this document. Following are tips for easy ways to make your meal at Applebee's your way—and as delicious as ever.

-  Select your entrée from our variety of our Unbelievably Great Tasting and Under 550 Calories™ or Weight Watchers® endorsed menu items.
-  Ask for reduced fat dressing, if available.
-  Ask for dressings and sauces to be served on the side.
-  Substitute a side salad, steamed vegetables or fresh fruit in place of mashed potatoes, fries or onion rings.
-  Substitute grilled chicken or shrimp in place of fried chicken or shrimp.
-  Select the half portion of any of our Signature Salads.
