

Using the Diagram It Template

- ◆ Copy this presentation to your hard drive.
- ◆ There are two sets of templates:
 - Slides #3 & 4 for a flow chart
 - Slides #5 & 6 for a components exercise
- ◆ Open up *slide sorter*, copy either set of slides for each diagram you are going to construct.
- ◆ Go to the first slide of the set and enter the text of the starting term.
 - Go to the second slide of the set and put the answer text in each box.
- ◆ Delete this slide (slide #1) after you are done.
- ◆ Save this file.

Note: You may also use your own symbols or design your own diagram for your exercises.
