

Your Wedding-Budget Worksheet

YOUR TOTAL BUDGET:

\$ _____

When it comes to spending five figures of your (or your parents') hard-earned bucks, the power invested in you is not to be taken lightly. Use these suggested percentages as a guideline to figure out how much to allot to each component. (Adjust the numbers as you wish; just make sure the total adds up to 100 percent.) To manage expenses, consider installing computer software like the iDo Wedding Couple Edition (www.elmssoftware.com, \$30), which tabulates amounts you plug in. (For a printable copy of this worksheet, go to www.realsimple.com/weddingbudget.)
